Parker - 850 Voyager

£ 123,500

Description

2021 Parker 850 Voyager powered by a Mercury 350hp Verado outboard engine. Excellent condition, with only around 40 hours recorded. Awaiting preparation with more photos to follow. The boat was supplied new with all available packs, with the full specification as follows: Premium electronics pack – Simrad 12" EVO3 chartplotter and fishfinder. Fusion RA70 stereo system with Bluetooth and USB. VHF radio. Essentials pack – Horn, fridge, freshwater shower, electric sea toilet, shower, interior curtains. Premium pack – Canopy, bow thruster, anchor windlass, extra battery. Webasto heating system. Second windscreen wiper. Synthetic teak decking. Trim tabs. Shore power with additional sockets. Tonneau storage cover. Antifouling. Sun pad conversion. Bow thruster. Table. Powered by the largest engine option available, the Mercury 350hp Verado engine, to provide the best possible performance. These boats are often supplied with the lower powered 300hp engine which are slightly underpowered given the size and weight of the boat, the 350hp engine really enables the boat to reach its full potential. On deck, the boat offers fantastic, luxurious wrap around seating, all in excellent condition. The backrest for the co-pilot can be flipped to allow the passenger to face forwards when underway, or backwards when at anchor. The aft U-shaped seating is sociable, luxurious and comfortable for several adults to sit around the cockpit table and enjoy a picnic, or layout to sunbathe. The cockpit features a galley with a sink, running water, worktop space and drawer storage. A convenient aft gate stops children or dogs from accessing the aft platform area. Down below there is a double berth forwards, and another double berth aft under the cockpit. The separate heads compartment is a good size and well fitted with an electric sea toilet and wash basin. The Parker 850 Voyager is a very well designed sports boat for family use, ideally suited for watersports, beach days and cruising along the UK coastline in comfort and style.

Sales status: available

Manufacturer: Parker

Model: 850 Voyager

Year built: 2021
