THE MERRY FISHER 695 SERIE2 ALREADY PROMISES TO BE A FUTURE BEST SELLER.** The MERRY FISHER 695 SERIE2 can boast of building on the success of the first MERRY FISHER 695, of which over 1400 boats have been sold since September of 2014! This model offers all the strengths of her predecessor, while benefiting from the most recent innovations of the line. The interior sees the biggest redesign with: - New deeper side windows, bringing in much more sunlight and creating more space onboard - Redesigned pivoting co-pilot seat as seen on the Merry Fisher 795 and 895. - A cleverly designed cushion storage space under the dinette. - New galley with an optional worktop, gas hob, cupholders and gas locker. - Redesigned heads compartment creating more space and adding a wash basin. - Optional roof bars for Stand Up Paddleboard. - Larger console design. **THE MERRY FISHER 695, A TRUE FAMILY CRUISER IN A TRAILERABLE VERSION!** With her stable and generously sized tapered V-shaped hull, the MERRY FISHER 695 SERIE2 has no need to further prove her seaworthy qualities. The model delivers excellent performance and just the right engine power to offer low maintenance and low fuel consumption at an affordable cost. This safe and very liveable, seaworthy boat is designed for coastal cruising with friends and family. The dynamic new Merry Fisher 695 is a multi-use cruiser, ideal for family outings. The profile of her windscreen and large sliding glass doors lend her that elegance that is fundamental to beautifully designed boats. A dream-come-true, the

Merry Fisher 695 is equipped with an inviting cockpit (including in the marina, with the engine raised). As for the cabin, featuring a clever layout for a model of this size, it comfortably accommodates 4 people. The new Merry Fisher 695 promises to be an instant success. Length overall 6.71 m / 22' Length overall with optional platforms 7.45 m / 24' 5" Hull length 6.45 m / 21' 1" Hull beam 2.54 m / 8' 4" Weight without engine 1,625 kg / 3,583 lbs Standard keel draught 0.5 m / 1' 7" Fuel capacity 170L / 45 US Gal Water capacity 50L / 13 US Gal Cabins 1 Motor 175 CV/HP / 128.8 Kw CE Category C-8 ABOUT US: BHG Marine are part of the Berthon Boat Company group. Situated within Berthon Lymington Marina on the Lymington River, we have a wealth of services and facilities within our 20-acre site. Visit our sales office and showroom to see a wide range of new and used powerboats and yacht tenders. Specialising in Jeanneau powerboats, Zodiac and AB RIBs, inflatables and yacht tenders, Linder aluminium boats, Yamaha outboard engines, davit systems, Propguards and much more. With such a large boatyard and a 300 deep water berth marina, we are well facilitated to not only help you buy your boat, but also find it a home with the best facilities to make ownership simple. BHG Marine was originally founded in 1947 and has a long-standing, and leading, presence in the outboard-powered powerboat market. Berthon has been synonymous with yacht services and yacht building since 1877, and as a result, we have a combined wealth of knowledge and experience that is rivaled by no other. With 100 skilled craftsmen, at modern boatyard facilities in Lymington, Hampshire, BHG Marine and Berthon have the ability to deal with all aspects of yacht and motorboat repairs, refits, maintenance and servicing. We also project manage yacht and boat construction or fit-out projects of the highest quality. At our Lymington boatyard, the dedication to providing the best marine services is key to the yard's success; we constantly invest in new equipment and carry out very regular lean management exercise to ensure the utmost efficiency as well as operating an award-winning apprenticeship scheme which embraces modern technology whilst allowing many of our craftsmen who have been with us throughout their working life to pass on their skills and best practices. We pride ourselves on our very comprehensive handovers and training with our own technically skilled boat handlers. We ensure you are confident in handling the boat, as well as using all systems onboard and the correct maintenance.
