Jeanneau - CAP CAMARAT 7.5 CC

£ 59,500

Description

2021 Jeanneau Cap Camarat 7.5 CC Series 2, powered by a Yamaha F300 outboard engine. Very well presented, in excellent condition and only 116 hours recorded. A Yamaha main dealer service history, and engine warranty until 2026. Dry stored in an undercover drystack. Serviced by BHG Marine in February 2025, ready for the new season. A practical and stylish day boat, perfect for exploring, beach hopping, picnics and watersports. The 7.5 CC is the perfect family fun day boat. The large centre console with a high windscreen provides excellent protection from the elements, whilst allowing for easy circulation to the bow area. The bow is arranged with U-shaped seating, all with base and backrest cushions. There is also a seat forward of the console. The entire area can be infilled to create a large sunbed area, for enjoying those warm summer days in the bay. The bow is protected with high bow rails. At the helm are two adjustable helm seats. These bolster seats provide excellent support, and can be raised, lowered, slid forwards and backwards and rotated 360 degrees. The console is fitted with a Garmin GPS chartplotter and fishfinder, Yamaha CL5 digital touchscreen engine display, bow thruster controller, switch panel, a Standard Horizon VHF radio, a Fusion stereo and the Yamaha electronic engine control. At the aft end of the cockpit is another U-shaped seating area, with a cockpit table in the centre. The side seats can be folded away for more space on deck. Ideal if you're fishing, blowing up paddleboards or a dinghy, or strapping on wakeboards or waterskis. The aft cockpit is also protected by a stainless steel framed bimini. At the stern is the Jeanneau ski frame, perfect for towing inflatables or waterskiers, and large aft bathing platforms and ladder. Inside the console is a large storage area, ideal for getting changed with privacy, and also a new and unused chemical toilet. Specification: 2021 Jeanneau Cap Camarat 7.5 CC Series 2 Yamaha F300 BETX with 116 hours Garmin Echomap chartplotter and fishfinder Fusion RA70 stereo Standard Horizon VHF radio Bow thruster Electric anchor windlass Bow cushion set including sundeck conversion Front and back cockpit tables Stainless steel framed bimini Ski arch Chemical toilet Swim platforms and ladder Console and seat covers Antifouling
