THE CONCEPT OF CRUISING ABOARD OUTBOARD POWERBOATS OF 10 METERS, JEANNEAU DOES IT AGAIN, NOW OFFERING A FLYBRIDGE VERSION!** Already unique in its category, with an outboard engine and three cabins, the MERRY FISHER 1095 is ahead of the trends and now boasts a flybridge. Cruising has never been such a pleasure! The MERRY FISHER 1095 FLY features all the qualities of the MERRY FISHER 1095: interior volume, bench seat at the helm, high performance hull, modular cockpit, recessed sidedeck, storage volume, and she benefits from the comfort level of the MERRY FISHER line. **FLYBRIDGE: A TRUE LIVING AREA** The FLYBRIDGE includes a forward sundeck and a folding copilot bench seat. The bench seat can be transformed into a sun lounger or an XXL sundeck, according to preference! The FLYBRIDGE also includes multiple storage solutions and can accommodate an optional Bimini. The name of the game: to enjoy absolute comfort and well-being. With its unique design, the MERRY FISHER 1095 FLY easily assumes the luxury of a family long-distance cruiser. On the exterior, every detail has been carefully considered for safety, comfort and relaxation. A sliding side door, recessed sidedeck and side access gate facilitate movement and access aboard. You will appreciate her modular

cockpit, immense aft swim platforms flowing seamlessly from the cockpit, and very comfortable forward sundeck equipped with adjustable seatbacks. According to your needs, the co-pilot bench seat can pivot to create a wide space for entertaining in the cockpit. At night, the bench seat can also be transformed into a berth! On the interior, you will be impressed by the bright natural light diffused through the wide sliding glass doors, and windows in the hull. The Merry Fisher 1095 features important innovations in the distribution of living space. You will be surprised by the numerous storage compartments integrated into the large and fully functional galley, and by the spacious head compartment with separate shower. Below, in addition to the saloon, two or three cabins are available: a large and comfortable owner's cabin, a guest cabin, and an innovative third cabin! This additional space, whether dedicated for storage or for additional sleeping space, enables you to customise your interior layout for cruising "à la carte!" Length overall 10.5 m / 32' 11" Hull length 9.95 m / 32' 7" Hull beam 3.35 m / 10' 11" Fuel capacity 2x 400 L Water capacity 160 L + 100 L optional Cabins 3 Max motor 2x 300 HP CE Category B-8 ABOUT US: BHG Marine are part of the Berthon Boat Company group. Situated within Berthon Lymington Marina on the Lymington River, we have a wealth of services and facilities within our 20-acre site. Visit our sales office and showroom to see a wide range of new and used powerboats and yacht tenders. Specialising in Jeanneau powerboats, Zodiac and AB RIBs, inflatables and yacht tenders, Linder aluminium boats, Yamaha outboard engines, davit systems, Propguards and much more. With such a large boatyard and a 300 deep water berth marina, we are well facilitated to not only help you buy your boat, but also find it a home with the best facilities to make ownership simple. BHG Marine was originally founded in 1947 and has a long-standing, and leading, presence in the outboard-powered powerboat market. Berthon has been synonymous with yacht services and yacht building since 1877, and as a result, we have a combined wealth of knowledge and experience that is rivaled by no other. With 100 skilled craftsmen, at modern boatyard facilities in Lymington, Hampshire, BHG Marine and Berthon have the ability to deal with all aspects of yacht and motorboat repairs, refits, maintenance and servicing. We also project manage yacht and boat construction or fit-out projects of the highest quality. At our Lymington boatyard, the dedication to providing the best marine services is key to the yard's success; we constantly invest in new equipment and carry out very regular lean management exercise to ensure the utmost efficiency as well as operating an award-winning apprenticeship scheme which embraces modern technology whilst allowing many of our craftsmen who have been with us throughout their working life to pass on their skills and best practices. We pride ourselves on our very comprehensive handovers and training with our own technically skilled boat handlers. We ensure you are confident in handling the boat, as well as using all systems onboard and the correct maintenance. BHG Marine can also arrange for your boat to be delivered anywhere in the UK and Europe, making sure it's shrinkwrapped and carefully prepared for the journey.
